

RESIDENT INPUT SUMMARY

11/15/16 to 12/1/16

Old Business

- 10/26 LaPorte Park resident called to complain that a split rail fence was in need of repair.
 - 10/28 A request for parts identification was made with a fence supplier.
 - 11/9 A request for parts identification was made with a second fence supplier.
 - 12/1 The supplier was called for an update to the materials ordered.

- 11/3 A Fairfield Lane resident called with a concern about damage caused by his next door neighbor's pool contractor to the property between Rogus School and the properties along Fairfield Drive.
 - 11/8 Park maintenance staff met with the pool contractor to discuss repairs.
 - 11/22 The pool contractor filled ruts with black dirt.

New Business

- 11/15 Park district FAN staff reported broken fitness equipment (recumbent bike) at LWNHS.
 - 11/15 Park maintenance staff called to schedule service.
 - 11/18 The fitness equipment contractor repaired the equipment.

- 11/15 Summit Hill School District 161 staff emailed to request help moving a lift from Hilda Walker School to Arbury Hills School.
 - 11/17 Park maintenance staff moved the lift.

- 11/17 SSSRA staff emailed to request help fixing their flagpole.
 - 11/17 Park maintenance staff replied that the key will be located, tested if a repair is needed, and previous estimate for a light on the pole will be found.

- 11/26 A resident called to report the playground mulch at Crystal Lake Park had a fungus growing in it.
 - 11/28 Park maintenance staff shoveled out the fungus and removed it. No name or number was left, so a follow-up call could not be made.
