

LWSRA Board Report

Highlights from the August 20, 2019 Board Meeting include:

- An anonymous donation for approximately \$1,200 was received from a Facebook birthday giving option. Since then, several friends and family have selected Lincolnway Special Recreation Foundation as their charity of choice through this social media opportunity.
- Keith Wallace, Executive Director, was presented with the Community Hero Award at the 2019 Connect Sports Tourism Excellence Conference in Louisville, Kentucky for his work with LWSRA and the 2019 Women's and Junior National Wheelchair Basketball Tournaments.
- LWSRA celebrated 5 years in their building with a Family Fun Fest, which was enjoyed by approximately 150 people.
- The agency welcomed fall intern, Erin Foley, from Eastern Illinois University.

The annual LWSRA Sports Banquet is scheduled for Sunday, September 29. It is an inspiring evening celebrating the athletes and their athletic accomplishments.

Respectfully Submitted,

Audrey Marcquenski
